1. Take charge with a Greener Credit Card!

Find greener credit card options here:

<https://greenamerica.org/better-banking/take-charge-your-card/find-responsible-credit-cards>

2. Discover Green Community Energy Options where you live and work!

Community Choice Aggregators, or (CCAs), provide competitively priced, clean energy choices to your communities while reinvesting revenues into local and statewide projects, supporting sustainability, and enhancing local economies.

There are 24 CCAs serving more than 11 million customers in 201 cities and counties in California:

<https://cacommunitypower.org/> Community Choice Aggregation in California: <https://cal-cca.org/cca-impact/>

Clean Power Alliance: <https://cleanpoweralliance.org/>

3. Find & Use Energy and EV Tax Credits Available

☒ California Clean Vehicle Rebate Project, Buy or Lease an EV and get a rebate. <https://cleanvehiclerebate.org/en>

☒ Clean Vehicle Ownership Incentives: <https://ww2.arb.ca.gov/sites/default/files/movingca/opportunities.html>

☒ US Department of Energy, Clean Energy Tax Credits, to Make our Homes more Energy Efficient:

<https://www.energy.gov/policy/articles/making-our-homes-more-efficient-clean-energy-tax-credits-consumers>

☒ California solar Tax Credits: Learn about current California solar tax credits to see how you can maximize your savings from solar: <https://www.marketwatch.com/guides/home-improvement/california-solar-tax-credits/>

4. Develop & Explore Green Investments

Find out which investments no longer align with your values at: <https://fossilfreefunds.org/> and consider donating them w/ a tax deduction to a Donor Advised Fund (DAF) or directly to a tax-deductible charity that aligns with your passions.

Visit our website and take our [Free Impact Assessment](#) to see how your portfolio impacts causes you care about.

Find an experienced financial advisor to help you align your values and your investments at:

<https://www.firstaffirmative.com/find-an-advisor/>
